

Attention Adopt-a-Highway Volunteers: It's the 20th Annual Great Nebraska Trash-Off!

Here's how you can join other volunteers in a statewide colossal cleaning event.

Before the Trash-Off:

- **Pick a date (on or between) April 17 – 24, 2010 for your litter pickup.**
- **Notify your local Nebraska Department of Roads maintenance office before you go out and pick up litter.**
 - Refer to the back of this letter to find your local NDOR maintenance office.
 - Arrange a time to pick up items needed for your event: Orange trash bags, Litter Pick Up signs, and safety vests.
- **Review the safety guidelines with your group before you pick up litter.**
 - A safety brochure is enclosed.
 - View and discuss the safety video before going out to pick up litter. If your group has not received this safety video (DVD, VHS) you may obtain one from your local Department of Roads maintenance office.

After the Trash-Off:

- **Complete and return the enclosed orange 'Clean Up Report' card after your litter pick up. It's postage-paid, you don't need a stamp.**
 - The information you provide helps us compile statistics from the Trash-Off and lets us know about concerns you may have.
- **Send in your pictures.**
 - We really appreciate and enjoy seeing pictures of your group's Trash-Off event. These pictures may be used on the Adopt-a-Highway website and/or the Department's newsletter. Email pictures to denise.wallman@nebraska.gov or mail them to:
